Year Three

Year 3 is a special year group where the children will be inquisitive, independent and creative learners! The children will continue their learning journey from Early years, Key Stage 1 and will now 'Grow Their Learning' into Key Stage 2.

At the end of Year 3 we aspire for the children to be the best version of themselves, build resilience and confidence and enjoy suitable challenges.

This can be achieved through a variety of different exciting opportunities in and out of the classroom, including - Ukulele, swimming, Bike for Health and a number of sporting competitions and festivals.

Our Curriculum

I have opportunities: Forest school - making rafts - sink or float investigation

Year 3 Long Term Plan

At the moment our topics for Year 3 are...

Autumn 1 – The Stone Age

Autumn 2 – The UK & Forces

Spring 1 - Ancient Greeks

Spring 2 - Healthy Body

Summer 1- Victorian Britain

Summer 2 – Rivers and Bridges

Grow your Literacy

Grow your Numeracy

We want our children to be confident mathematicians who are able to apply their skills to solve problems, prove responses, learn from their mistakes and show resilience.

Grow your World

In Year 3 we use scientific enquiry, study religions, develop artistic skills and plan, design and create to bring ideas to reality.

Geography brings the wider world a lot closer and we explore communities from the past.

Organised and On Time

DID YOU KNOW? A two week holiday in term time means that the highest attendance you can achieve is 94.7%

Attendance Matters

Homework Expectations

Children will be given two reading books each week. Just as in Year Two children should read aloud to an adult and reads should be logged at least 3x onto Boom Reader.

Reading folders should be brought into school each day to allow teaching staff to hear children read and to change books. Books will only be changed once a week if we can see it is finished on BR.

In Year Three children will continue to be set weekly homework to complete on Doodle Maths or Times Tables Rock Stars. Children must ensure they remain in the green zone or interact with TTRS 3x per week to ensure they earn their 'Golden Ticket' for Golden Time.

Well Done

You have earned all of your

Golden Time.

PE Days

Class 7 – Mon & Tues

Class 8 – Mon & Tues

Swimming –

Class 7 – Spring 1
